

Written SMS opt-in

Blank, unsigned consent form. Read the program details and policies before choosing. Alerts begin only after written recipient consent and SMS sender verification.

Program and purpose

PKG Systems Internal Application Alerts is operated by PKGSYSTEMS, LLC. The designated owner/operator receives automated SMS notices when a Profonti website inquiry needs attention. Texts contain an alert and review link, not the visitor's message content. This program does not send marketing texts or enroll website visitors.

Before you choose

Frequency and cost: Message frequency varies with inquiries. Message and data rates may apply under your mobile plan.

Stop or get help: Reply STOP to cancel alerts. Reply HELP for assistance, or contact help@pkgsystems.com.

Your choice: SMS consent is voluntary and is not a condition of purchasing goods or services. It does not authorize promotional messages.

Read the policies: Privacy: <https://pkgsystems.com/privacy/>
SMS terms: <https://pkgsystems.com/terms/>.

Your consent

- ☐ I choose to receive **PKG Systems Internal Application Alerts** at the mobile number below. I am the subscriber or authorized user of that number. I understand the purpose, variable frequency, potential carrier charges, and how to stop alerts.
- ☐ I acknowledge that I have been given the program disclosures and the links to the SMS terms and privacy notice. This acknowledgment is separate from my SMS choice above.

Recipient name

Mobile number, including country code

Role / title

Date signed

Recipient signature (sign personally)

Record handling: Keep the completed, signed copy in restricted PKG Systems records. Do not publish the recipient's mobile number or signature. A public blank template can explain the process; it is not proof that anyone has signed.
